I've accepted the **Move More in Harmony Challenge**. While it's great to get in shape and to be active, I also want to do more to help adults with disabilities. Prospectus Berco is a great organization that gives adults with disabilities greater opportunities to live as independently as possible in our community. Inclusion and equality are important to me, and I know that they mean a lot to you as well. So, join me in raising awareness and show your support for adults with disabilities in Berks County – be part of the **Move More in Harmony Challenge and donate today!** Thank you!
