

PROSPECTUS BERCO

COVID-19 PROTOCOLS

We continue to monitor the pandemic very closely. The safety and wellbeing of program participants and employees is very important to us so therefore we continue to follow CDC guidelines.

With the roll out of our vaccination program, Prospectus Berco is gradually lifting certain restrictions.

Visitation may resume for Community Homes, however, visitors must follow strict protocols. Detailed information of our Temporary Visitors Policy is available on our [Residential Services Page](#).

We have gradually begun a re-opening of Day Services Programs at our facility-based locations. These programs include Adult Training and Vocational Services located at William Lane and Kutztown Road in Reading, PA. Please review this memo from Operations Administrator, Jonathan Colon regarding COVID-19 mitigation practices for Day Services Programs. [Memo-May-6-2021](#)

Corporate offices remain open with a No Visitors Policy in effect. Regular hours of operation are Monday through Friday from 8 a.m. to 4 p.m. with the administrative offices available by calling (610) 372-4637. Questions regarding Prospectus Berco and its programs can be directed to Jody Wagner at ext. 110.

Thank you in advance for your patience and understanding during this time.

Jody Wagner,
Executive Director and CEO
