

## PROSPECTUS BERCO

*"Stay the course, light a star,  
change the world where'er you are,"*  
Richard Gallienne

Do you believe you can change the world? If not the world, perhaps the community in which you live? At Prospectus Berco, we witness firsthand the transformative powers of each gift and the impact your donation has on the lives of those who benefit from our services. Know that each gift matters; it matters to the hundreds of individuals we serve in many ways:

- To individuals residing in our Residential Community Homes, your gift provides safety and security, while offering the comfort of our caring and compassionate staff.
- To individuals participating in Adult Training, your gift offers opportunities to explore new hobbies and interests while making new friends.
- To individuals enrolled in our Employment Services, your gift is a vote of confidence and offers encouragement for people to aspire to greater independence through vocational training and work.

Prospectus Berco has continued to provide services to adults with intellectual disabilities living and working in Berks County during this difficult time. We are currently experiencing budget shortfalls as we strive to overcome obstacles presented to us by the pandemic. While there remains much work to be done, we are hopeful that we will weather this storm and come out on the other side stronger than before.

Thank you for being a beacon of light during these challenging times. Your donation matters, and with it, we can make a difference in Berks County, if not the world.

Season's Blessings,

Mark Yoder  
Board President
